Companies are ranked by construction revenue in 2017 in (\$) millions. Source: ENR website at [www.ENR.com](http://www.ENR.com). Some markets may not add up to 100% due to omission of the "other" miscellaneous market category. Figures include prime construction contracts, shares of joint ventures, subcontracts, the construction portion of design-construct contracts and construction management-at-risk contracts when the firm's risks are similar to those of a general contractor. Figures also include the value of installed equipment when a firm has prime responsibility for specifying and procuring it within the scope of its construction contract.
